

McADAM ELEMENTARY SCHOOL

Manners Excellence Safety

MONTH: JUNE 2023

It has been nice seeing the weather improving and those nice, sunny days. With that, please remember to supply your child with bug spray, sunscreen and anything else they would normally need for protection from the sun and the bugs. The soccer field is open and has been a busy spot. The field is in great shape.

Magnificent Elementary Shindig

Part 2

The Shindig from last year was a BIG hit so we decided to have it as a Year End Celebration this year. The MES Staff and Home & School Committee have teamed up to offer this event on June 15th at 5 pm (Rain date is June 22nd). It will be similar to last year's event and will be fun for parents and students. Come join us **from 5:00 pm – 6:30 pm** for live music, food and many activities for parents and children to enjoy (Dunk the principal, face painting, soccer, Gaga Ball, bouncy castles, 4-square, basketball, and more). We are hoping to see parents joining in the fun and playing games with the kids. This is a fundraiser but we will be changing how we are charging people. This time, we will be asking for donations and we hope to raise money to help with programs at MES.

School Supplies Fee

MES will again be purchasing all school supplies for the upcoming school year (2023-24), saving families the stress of having to shop around for school supplies. The **School Supplies Fee is \$50**, per student. The school fee will be available for online payments starting in August. School Cash Online payments are preferred but you can also pay with cash or cheque. The deadline for the fee is October 2023. Thank you in advance for your payment.

Bike Rodeo

We have had to reschedule the Bike Rodeo and the new date is Thursday, June 8th. We would like to thank Lisa Williams from the RCMP for coming in and talking to the students about bike safety and running the obstacle course. It is great having this connection with the RCMP. Students can bring their bike or scooter to school on the day of the bike rodeo. The older students are encouraged to bike to school that day. We ask that K-2 students be accompanied by an adult if they are biking to or from school that day.

We want to remind students to be safe when taking their bike. Please pay attention to the following:

- Wear a helmet that fits you.
- Make sure to wear clothing that is bright or reflective.
- Make sure to cross the road at crosswalks and walk your bike across the road.
- Always pay attention to traffic.

Heart Healthy School Water Challenge

Heart Healthy Schools Challenge #4 is the Water Challenge. The challenge is to drink **only** water and to have 0 sugar sweetened beverages each day. Fill up those water bottles MES!
