**Business Arising from the Minutes:**

**We might be losing our funding for concrete court**

**New Business:**

- Updates from Serena
- Playground Updates – *Scott met with Lions Club and made a short presentation, showing the breakdown of funds and fundraising. They were going to meet and discuss. Will be in touch later.*
  - ATV club gave \$1000 and offered to help more – just to let them know*
  - Idea – Chocolate bar BINGO – use the chocolate bars from the fundraiser for the BINGO and ask people to bring \$3, bars provided.*
  - Scott touched base with Clark Family foundation – told him he can ask for \$30 000 instead if he wrote a letter. Scott wrote the letter and will submit it ASAP. Asked about student numbers, if it was going to be just for school use or community based.*
  - Fundy community Grant is coming up, we will get someone to apply for it*
  - Fredericton community Grant – Scott can/will apply for this one*
  - District contact – Kerry Bedford - RDC Grant will be started by someone at district - they may need letters of support from community members*
  - Sheryl Pepin – Harvey/McAdam coordinator – same contacts of Kerry Bedford*
  - Amy is starting the process of Scotiabank grant*
- Letters of Support

- Valentine's Fundraiser – Mrs. Glaspy's class – *buy Hershey's kisses or an orange crush, this will be everyday for the week. Tammy offered to donate \$ for buying students who don't get anything by Thursday or Friday*
- Student Rep Group – They want a mascot – *duck or goose*
- After School Program Concerns – *people calling last minute for changes. Some parents are being disrespectful to staff of school and After School Program. Looking at finding solution.*

*Ideas:*

*Pick your days/ make your schedule – stick to it. IF something changes, you are still required to pick them up at the After School Program*

*The Rec number has 2 numbers. They are in the works of getting the Afterschool Program their own phone number for parents to have a direct line.*

*Start charging \$5 even if their student isn't there.*

*Unless there is a SERIOUS EMERGENCY – students need to be going to the Afterschool program if they are scheduled to be going*

*New location- what if we have it at the school? The village has to fill out the paperwork.*

*Only issue – there might be a rental fee, but there are ways around it.*

**Action Item** – *Scott send paperwork to Michelle and Tammy about Afterschool Program.*
