Manners Excellence Safety

The MES staff have been working diligently to get ready for the new school year. The building looks great, and we have a terrific school year planned. This year we are excited to host the Village of McAdam After School Program at MES. It is important to note that we are simply providing the space for the program. If there are questions or concerns, please contact the Village Office. The room for the program looks awesome and the instructors are eager to begin. We are happy to be working with the Village on this new project. We have some new staff and students joining our MES family. Let's make them feel welcome. 😊

Please call to advise the school if your child is absent or running late on a particular day.

Communication

We have several different and easy ways to communicate messages and information to parents. Our school website (mcadames@nbed.ca) has a variety of information and links to a variety of topics. Our Facebook page is another a great way to communicate reminders and upcoming events. We also have an Instagram account where we post pictures of activities that happen at MES.

School Cash Online

We encourage you to pay for items that come up (school supplies fee, milk, field trips, etc.) by using School Cash Online. This system is easy for parents to use and it saves you from having to send money to school with your child. The website to register is: <https://anglophonewest.schoolcashionline.com> You can also find the link attached to our school website.

Visitors/Parents

Visitors and parents are welcome to enter the school. When you come into the building please sign in at the office. If you need to speak to your child's teacher, we ask that you make an appointment as their days are full and they can't leave the other students unattended.

If you drive your children to school, please drop them off at 8:00 or later. There is no supervision until 8:00. The drop off area can get congested before and after school so please pay close attention. At dismissal, we ask K-2 parents to walk up and meet the teacher for their safety. There is a crosswalk guard on duty to assist students crossing the road.

If your child rides the bus, and is a K-2 student, parents/guardians are reminded that they MUST meet the bus at their afternoon bus stop. As well, if your K-2 child rides the bus in the morning, please wait with them to ensure the bus arrives to pick them up.
