Manners Excellence Safety

MONTH: JUNE 2026

June has arrived, and it's hard to believe we're in the final stretch of the school year! Although the weather has been a little cool, we're looking forward to warmer days ahead. Please ensure students come prepared each day with appropriate clothing and items such as sunscreen, bug spray, and a water bottle. With only three weeks remaining, the end of another successful year is just around the corner. Classes will be having some year end field trips and activities. Keep an eye out for activities for your child. There may be important information needed for the activity, or a permission slip that needs to be signed!

## Track & Field

Despite the cool weather, it was a great day for the District Track and Field Event. Our students were AMAZING representatives of MES, giving their best in every event. Six students earned top-six ribbons, with several others finishing close behind. It was fantastic to see their hard work pay off. They showed resilience, excellent sportsmanship, and tremendous team spirit while cheering each other on.

## Leadership

We focused on the Growth Mindset for the month of May and a student in each class was awarded a certificate for showing persistence, tackling challenges and learning from mistakes. For the month of June, we are focusing on Leadership. The students will be having lessons with their teacher and Mrs. Gaynor.

## MES Family Picnic Day

On June 18, we invite you to join us in celebrating National Picnic Day. We will be hosting a BBQ, along with snacks and games for students to enjoy. Parents, family members, and friends are encouraged to bring a blanket and join students for lunch. It promises to be a fun afternoon, and more details will be shared soon.

## Chase The Ace

The Chase the Ace jackpot continues to grow and is now approaching the \$5,000 mark. Tickets are available at the school for anyone interested. This initiative supports five wonderful organizations in McAdam that are working to make improvements in our community. Please help spread the word!

## MES Report Card Brochure

In the coming weeks, you'll receive a brochure highlighting the MANY AMAZING things that took place at MES during the 2025–26 school year. Consider it a “report card” for our school community—we hope you enjoy reading it!

## School Supplies Fee

MES will again be purchasing all school supplies for the 2026-27 school year, saving families the stress of having to shop around for school supplies. The **School Supplies Fee is \$55**, per student. The school supply fee will be available for payment on School Cash Online in August. The deadline for the fee is October 2026. Thank you in advance for your payment.
